

Thamarrurr

Development Corporation

Our Mission

“To develop all commercial opportunities on behalf of the clan members throughout the Region to advance our key aims of providing local jobs for local people and, in the long term, ensuring every child has a chance of a full life”.

WDRC Supports Marda Pek Pek

West Daly Councillor Mark Tunmuck presented the Marda Pek Pek community group with lawn mowers and whipper snippers this week to support the group as they help maintain the yards of disadvantaged people.

The West Daly local authority approved \$10k worth of equipment to support Marda Pek Pek . As part of their peace-making role , Marda Pek Pek engage with people in a practical way , and they are very grateful and excited to receive this equipment from WDRC.

They were very surprised and proud to receive the equipment and there was a sense of great collaboration between WDRC and TDC.

Thamarrurr Youth “Pure Speed”

A massive shout out to Thamarrurr Youth, who never cease to amaze us with their awesome adventures.

The team headed down to Margaret River recently to compete in the Down South MTB festival, which celebrates mountain biking in the Margaret River Region over 2 days of competitive & recreational mountain bike events.

Check out this awesome video of their adventure.

TY Pure Speed

The bikes and bike activities are funded by SCfC.

India Textile Studies Completed

The ladies who have been studying textile manufacturing have completed their studies and are heading home in the coming weeks. All students can independently produce t-shirts, long sleeve shirts, skirts, pants, and dresses as well as take measurements, insert buttons and zippers, and maintain Juki sewing machines.

The ladies got to explore amazing monuments, learn more about Indian history, arts, music and dance, hand-crafts, and culture.

Change to Post Office
Trading Hours**

Opening Hours:

Mon - Fri 09:00 am - 03:00pm

The Post Office is open through lunch time on business days.

Closed Sat & Sun.

TDC MANAGEMENT

Tropical Oyster Conference

Black-lip rock oysters are a species of rock oyster found across the northern Australia coast. NTG Fisheries have been investigating them as an opportunity for aquaculture businesses in partnership with remote Aboriginal communities and have established trial sites on the South Goulburn Island and more recently on the Tiwi islands.

The Traditional Owners of Dorchet Island and Old Mission, (country on the North coastal tip of Wadeye), are embarking on a trial to establish both sub-tidal and intertidal oyster grow out farms in the coastal waters of Dorchet Island.

The TO's, along with some of the Rangers, attended the Tropical Oyster Conference on Sunday and Monday, to learn from the experience of previous trials and to plan for a local trial.

There is real potential for family-owned enterprises, and employment opportunities that align with aspirations of working on country and using natural resources, and we are all very excited to start the trials.

Welcome Tara Atkins

TDC Welcomes Tara Atkins to the CDP Administration Team. Tara has hit the ground running and is busy coordinating all of the products and paraphernalia for Barunga and getting all the logistics in place for the big event.

Taras role will support our CDP Manager and the CDP Team in organising Employment and Training initiatives.

A Big Thanks to Tara who has been busily supporting our team as they get ready for Barunga.

Grants Team Engagement Trip

It was great to see Declan and Cass from our Grants Team, out and about engaging with the community groups and TDC Business units this week.

Joining the dots between projects and project funding can be very tricky, as turning solutions to problems on the ground, into information that can fit into bureaucratic processes isn't easy. There are lots of problems on the ground, and most times, the people have practical solutions.

The grants team are engaging with the different groups to help turn solutions to problems into project proposals.

Red Sunset Band Rocks YIDIYI

Local band Red Sunset, took to the stage at the Yidiyi concert this week and rocked the socks off the audience with their incredible guitar skills, smashing out great songs by ACDC and other hits from the 80's.

It was awesome to see everyone coming together in such a positive way and people of all ages got up and danced.

The kids and youth were all excited to see Darwin born rapper J-Milla who live streamed the concert on Tik Tok.

The concert was organised by Murrinhpatha Nimmipa Store and all the community groups got involved. A Big Thanks to our Team for organising the sand, stage repairs, venue preparation, equipment and accommodation and meals for the band. **#TeamWork#**
